

**The Accerta Health Access Foundation is proud to share the winners of their first-ever round of Grants:**

[Heartache2Hope](#) provides healing support to adults who have experienced a suicide loss.

[The London Community Dental Alliance](#), a nonprofit Wright clinic, provides services for people on social assistance or very low incomes.

[The Northern Cancer Foundation](#) provides oral health care for patients with head and neck cancer and stem cell transplants.

[The Dr. Borna Meisami Foundation](#) is the Restoring Smiles, Restoring Strength, Restoring Sleep program to eliminate pain, restore function and proper speech, and, to some degree, alleviate the emotional trauma that arises because of domestic violence.
